One camera can be used in motion detection, VOD, and record mode. MultiAV can be. Dozens of angry locals clashed with a team of poll monitors on Tuesday night in Liberia's second largest city, Monrovia, as they tried to prevent a re-run of Sunday's first round of presidential voting. The Guardian At least two people were injured in the scuffles, one man struck on the head with a baton, and another man reportedly had his

arm broken. Officials said that two of Liberia's most senior politicians, Vice President Jewel Howard Taylor and former president Charles Taylor, were among the monitors on the team. The team had been hired by the supreme court to ensure the integrity of a re-run of the first round that had

.. Home. Camcopter ZX - Have to find an app or use the camera, online recording software / nvr. GEOLOC 200; Download the system from . Activation card / software number: 0000149..
